

# Jogger Blocks

*Master Jogger Blocks* are made in tough, durable HDPE plastic and come with a Tufnell wear strip ensuring bottom sheet accuracy is maintained throughout the jogger blocks long working life.

Each jogger block is equipped with a magnetic strip in the base to help jog bottom sheets perfectly.

All medium and large jogger blocks are supplied with the "pistol grip" handle for comfortable long term use.

This unique grip handle is not only more comfortable to use but also much stronger than the standard round "pin" handle in case the jogger block is accidentally dropped.

Each jogger block is thoroughly tested before shipment and packed individually in a strong box with padding.
